To all of our new families, welcome to P.S. 198M!

And to our returning families, welcome back! We hope you had a memorable and relaxing summer!

Over the summer Ms. Cabrero announced her retirement as Principal of our school. Ms. Macmanus, our Interim Acting Principal, has worked diligently getting P.S.198M ready for our children's arrival on the first day. This included securing ELA professional development for our teachers, made possible by the \$25K our community raised last year. In addition, Councilman Kallos helped secure an additional \$5K which Ms. Macmanus is already putting towards growing our teachers' expertise in the area of math instruction.

As always, we need help from every family and friend of PS 198 to support our students and teachers to continue to build a school environment of which we can all be proud!

Last year, the P.S.198M community Annual Fund, Auction, and other fundraisers helped P.S.198M fund in-school enrichments such as Yoga, Chess, New York Historical Society, Story Pirates, Ballroom Dancing, Rosie's Kids and Playworks. It is our goal to work with Ms. Macmanus to ensure that every teacher and student has a classroom filled with everything needed to enrich their experience at school.

From volunteering your time to contributing to our Annual Fund, none of this would be possible if we didn't have families like YOU! Thank you!

In order to continue to fund these initiatives in the future, and consider other possibilities for our school, we ask for contributions to our Annual Fund from every family ***in whatever amount you can provide.*** Every dollar raised for P.S. 198M goes directly to our students and the school community.
